A revised form of Agreement in Public Works and Electricity Department was introduced in the Government Order cited (1) above. In this form, detailed conditions of contract have been specified and the same are included in the Mysore Public Works Departmental Code Vol. II as Form PWG 65 (a).

The Accountant General has suggested for the inclusion of a proviso in Schedule 'A' of the 'conditions of contract' to regulate the issue rates of materials to be supplied by Government to the contractors in case additional work is not completed within the period stipulated in the contract.

ORDER No. PWD 96 SMS 68, BANGALORE, DATED THE 1ST MARCH 1969.

To avoid ambiguity in the matter of recovery of the proper cost of materials issued to the contractors, Government hereby direct that a Note be added to Schedule 'A' as hereunder:—

"Note-II :—The rates shown above will not be applicable for additional or altered items of work for which payment is made according to clause 13 (ii), (iii), or (iv) of the conditions of contract. For such additional or altered items of work the actual issue rate or market rate whichever is higher prevailing at the time of issue of the materials for such additions/alterations would be charged".

The existing Note in the Schedule 'A' shall be renumbered as Note-I.
